Dangerous Goods Class:

Not classified as a dangerous good under the Australian Code for Transport and Storage of Dangerous Goods in Australia.

A high quality fruit coating for use on apples to give a long lasting shine.

This product conforms to the requirements of Food Standards Australia and New Zealand (FSANZ)

DIRECTIONS FOR USE

For postharvest application on clean apples. To be applied by spraying over a brushbed. Should be used without dilution. Apply at a rate of 800mL per tonne of apples. For best results, clean the apples with Campbell Super Apple Wash before applying Carnauba Xtra. Avoid storage below 5°C.

SAFETY DIRECTIONS: May cause eye irritation. Avoid contact with eyes. Wash thoroughly after handling.

FIRST AID: In case of contact immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention immediately. Call a physician immediately in case of burns especially to eyes, nose and throat or if patient is unconscious. If swallowed induce vomiting if directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Skin: Remove material and flush affected area with water. In case of inhalation or suspicion of inhalation move patient at once to fresh air and call a physician. For additional information see MSDS.

IN CASE OF SPILL OR FIRE: Wear appropriate protective equipment. Absorb with inner material (e.g. dry sand or earth), then place in a chemical waste container. For large spills, dike for later disposal. Dispose of according to local, state and federal regulation. Material is not flammable; use extinguishing agents suitable for surrounding fire. Avoid contamination of product with water.

HANDLING:

Wear goggles or face shield, protective gloves and protective clothing when handling. Avoid prolonged or repeated contact with skin. Avoid prolonged or repeated breathing of vapour. Do not swallow. Use ventilation adequate to keep exposures below recommended exposure limits.

CONDITIONS OF SALE

Agricultural, horticultural and pastoral preparations in their application involve varying factors such as differing conditions, soil, climate and methods of application over which the vendor does not have control, Whilst Colin Campbell (Chemicals) Pty. Ltd believes that all goods sold by it are true to label and are effective and safe for purpose indicated the company and the seller hereby expressly negate and exclude any express or implied condition, statement or warranty, statutory or otherwise, as to quality or fitness of any goods sold for any purpose or purposes whatsoever except such warranties and conditions, if any, as are implied by the Trade Practices Act 1974 (Commonwealth). The company and the seller accept no responsibility for any loss, harm or damage whatsoever suffered from the use of such goods for any purpose or purposes irrespective of whether or not the buyer was acting in reliance upon the advice recommendation or representation of the seller or any representative agent of employee of the company as to such use except in respect of breaches of conditions and warranties, if any, implied by the Trade practices Act and in respect of such breaches the liability of the company and the seller shall be limited to the replacement of the goods or the supply of equivalent goods, or the payment of the cost of replacing the goods.
