Eligible containers
25L
208L

Pack Size:

25L
208L

Dangerous Goods Class:

Not classified as a dangerous good under the Australian Code for Transport and Storage of Dangerous Goods in Australia.

A high quality fruit coating for use on apples. Higher shine, faster drying than Carnauba Xtra

This product conforms to the requirements of Food Standards Australia and New Zealand (FSANZ)

DIRECTIONS FOR USE

1. Apply to clean dry fruit over brushes with at least 50% horsehair and aim for a rate of 1 Litre per 1 tonne of fruit. Fruit should be as dry as possible prior to application to enhance shine.
2. Apply with a spray or drip system.
3. Dry with a conventional dryer at 32°-38°C for two minutes. This product tends to dry quickly. Do not allow the product to dry in the brush bed during application.
4. If the coating is drying too fast, turn off the heat in the dryers and use only fans.
5. When applying this product, use the least amount of antifoam needed to control foam.
6. Clean application equipment every eight hours with warm, fresh water.
7. Use Campbell DeWax or Vacate wax stripper weekly or as needed.

STORAGE AND HANDLING:

Wear goggles and protective gloves when handling. Do not get in eyes or on skin. Wash hands with water after use. Store container in a dry and cool area. Do not allow to freeze. Keep container upright to prevent leakage. Use product during same season as when purchased. Improper disposal or reuse of this container may be dangerous and illegal. Refer to applicable federal, state, and local regulations. Since empty containers contain product residue, follow label warnings even after container is emptied

SAFETY DIRECTIONS

May cause eye and skin irritation.

FIRST AID: In case of eye or skin contact, flush eyes or skin with flowing water for fifteen (15) minutes. Call a doctor if irritation persists.

CONDITIONS OF SALE

Agricultural, horticultural and pastoral preparations in their application involve varying factors such as differing conditions, soil, climate and methods of application over which the vendor does not have control, Whilst Colin Campbell (Chemicals) Pty. Ltd believes that all goods sold by it are true to label and are effective and safe for purpose indicated the company and the seller hereby expressly negate and exclude any express or implied condition, statement or warranty, statutory or otherwise, as to quality or fitness of any goods sold for any purpose or purposes whatsoever except such warranties and conditions, if any, as are implied by the Trade Practices Act 1974 (Commonwealth). The company and the seller accept no responsibility for any loss, harm or damage whatsoever suffered from the use of such goods for any purpose or purposes irrespective of whether or not the buyer was acting in reliance upon the advice recommendation or representation of the seller or any representative agent of employee of the company as to such use except in respect of breaches of conditions and warranties, if any, implied by the Trade practices Act and in respect of such breaches the liability of the company and the seller shall be limited to the replacement of the goods or the supply of equivalent goods, or the payment of the cost of replacing the goods.
