for Apples & Pears.

ADVANCED CARNAUBA BASED COATINGS (WAXES) (FOR NON EU MARKETS)

PRIMAFRESH® 3000A

POST HARVEST COATING

OUR BEST CARNAUBA
COATING YET

- 🍏 The result of more than 5 years of continuous emulsion technology research at Pace International laboratories.
- 🍏 Faster drying, easier to use
- 🍏 Durable shine, in and out of short and long term storage.
- 🍏 Excellent results on packing lines with less than optimal water elimination.
- 🍏 High carnauba content provides excellent resistance to whitening.
- 🍏 Trialled in Australia successfully during 2015 and now available to all apple packers.
